

J.C. Restoration, Inc. and Advanced Restoration DKI, Proudly Take Part in ABC Series; Airing Sunday

J.C. Restoration, Inc. of Rolling Meadows, Illinois, and Advanced Restoration DKI of Madison, WI are honored to have participated in the popular ABC Series, *Extreme Makeover: Home Edition*, surprising one deserving family in Northern Illinois with a home of their dreams.

With a goal to complete the new, environmentally friendly 3000 square foot farmhouse in one week, J.C. Restoration, Inc., and Advanced Restoration DKI assisted by providing advanced structural drying, including desiccant dehumidification and round-the-clock monitoring and labor, to expedite the drying of the drywall, primer, and paint in the interior of the home.

The invitation to participate came from ABC Productions and Hasken Construction of Northern Illinois. The segment is to be aired on November 15th, 2009.

The Emmy award winning reality program "Extreme Makeover: Home Edition", now in its 7th season, is produced by Endemol Holding. It's executive-produced by Anthony Dominici. David Goldberg is Chairman, Endemol North America. The show airs Sundays from 8:00-9:00 p.m., ET on ABC.
